**Memorandum From Senator Herring
Ordered Printed in
Senate Journal**

On motion of Senator Aikin and by unanimous consent, the following Memorandum from Senator Herring was ordered printed in the Senate Journal:

**THE SENATE OF
THE STATE OF TEXAS
AUSTIN**

June 4, 1971.

Memo to Senator Aikin:

It is absolutely essential that I be in Houston this morning on an extremely important matter that had been scheduled with people from New York, Atlanta and other places, and

the time was set several weeks ago around my schedule, and they are already in Houston waiting for me to get there.

I am attaching a bill that I would like introduced and passed, if at all possible, through both the Senate and House today. I make this request to you because I think with the respect you have of people on both sides of the Capitol you are probably the only one who can get it done.

In the regular session, on May 10, I introduced S. B. 984 in the exact form as the attached bill. It was referred to the Committee on County, District and Urban Affairs and floor reported on May 10, and on the same day ordered not printed. On May 13, it was passed and went to the House on the local calendar.

On May 17, it was referred to the Committee on Counties in the House. On May 21 it passed the House with one amendment changing the word "shall" to "may" on line 4 and line 52 on page 2. The bill was printed in the House but there were substantial changes that appeared in the second page of the bill from the language included in the bill as introduced and passed by the Senate. The change that was made without amendment and without anyone's knowledge as to how it occurred had the effect of increasing the minimum salary of the judges of the County Courts at Law of Travis County from the proposed \$19,000 per year to the same salary as a District Judge, which would be \$22,000 a year.

I had committed myself to the Commissioners Court of this county that I would not set a minimum salary in excess of \$19,000 and that is what the bill provided when it was introduced. Everyone has been trying to find out what happened and where the change occurred. I do not wish to blame anyone for intentionally making a mistake but a mistake obviously was made. The original bill (S. B. 984) has the last two pages clipped together inside the original cover, whereas the first page was not clipped to the last two pages. I know of no one who would knowingly make this change, but the facts are that it happened.

You will recall that Wednesday night I passed a bill (S. B. No. 4) repealing S. B. 984 which had already been signed by the Governor before the mistake was caught. I do

not know what the outcome of that will be in the House. I do believe the Senate will permit the attached bill to be introduced and passed without any question, and I think if a copy of this memorandum is delivered to the Speaker of the House and to the Travis County House delegation there is a chance that the House would likewise assist in the correction of the error that happened.

I know this is asking a lot but I want to keep faith with my Commissioners Court as well as the Judges of the County Court at Law and feel very badly that this whole incident occurred and, hopefully, if it can be corrected in this way the matter can be forgotten and closed.

If you feel like you can undertake this, I will ask my office to deliver a copy of this memorandum to the following people: Governor Barnes, Speaker Mutscher, Representatives Cavness, Davis and Foreman, and Senate Secretary Charles Schnabel.

Amending subsection (i) of Section 2 to read as follows:

"(i) 'unzoned commercial or industrial areas' shall mean any area not designated by State or local law, regulation or ordinance which lies within a distance of 800 feet measured parallel to the center line of the

adjacent highway in either direction from any commercial or industrial activity upon the primary system, as well as a parallel distance up to one half of the total allowed distance measured on the opposite side of such primary highway; and, 2,000 feet measured parallel to the center line of the adjacent highway in either direction from any commercial or industrial activity upon the interstate highway system, as well as a parallel distance up to one half of the total allowed distance measured on the opposite side of such Interstate Highway, and furthermore all land which lies within the corporate jurisdiction of an incorporated city or town and all land which lies in the extra-territorial jurisdiction of an incorporated city or town. A commercial or industrial activity for purposes of this definition shall include all land, buildings or other uses such as, without limiting the generality of the foregoing, parking lots, storage areas, driveways and landscaped areas which constitute an integral part of such activity. Provided, however, that it is the overriding intent of this Act, while asserting the rightful independence of this State to regulate land usage within its borders, to ensure in all events against the withholding of any federal-aid highway funds from this State under the Highway Beautification Act of 1965 (Public Law 89-285). Accordingly, in the event that the Secretary of Transportation shall make a final determination that the terms of this definition are in noncompliance with said federal act, the Texas Highway Commission may promulgate such definition as is minimally necessary to avoid the loss of any such funds, which definition shall govern to the extent of any inconsistency between it and this definition, until modified or superseded by further action by the Legislature, and shall be retroactively effective if and to the extent necessary to avoid any loss of funds.

Provided, further, however, that any definitions so promulgated by the chairman of the Texas Highway Commission in accordance with the Highway Beautification Act of 1965 (Public Law 89-285) shall not be more restrictive than the least restrictive plan approved by the Department of Transportation in any other state."

and by:

Adding a new subparagraph (6) to subsection (a) of Section 4 to read as follows:

"(6) outdoor advertising and/or a sign or signs erected or located upon land or premises owned by any city, county, or political subdivision or unit of government of the State of Texas."

and by:
Amending subsection (1) and (2) of subparagraph (e) of subsection (5) of Section 4 to read as follows:

"(1) the taking from the owner of a sign of all right, title, leasehold and interest in the sign, except any sign erected after the effective date of this Act which is more than six hundred and sixty (660) feet from the nearest edge of the right-of-way.

(2) the taking from the owner or, if appropriate, the lessee of the real property on which the sign is located of the right to erect and maintain the sign, except any sign erected after the effective date of this Act which is more than six hundred and sixty (660) feet from the nearest edge of the right-of-way."

and by:

Amending subsection (b) of Section 7 to read as follows:

"(b) Nothing in this Act shall apply to any sign or marker informing about the location of underground electric transmission lines, telegraph or telephone properties and facilities or pipelines; nor shall any license or permit be required under Sections 5 and 6 of this Act to authorize the erection, location or maintenance of any outdoor advertising and/or a sign or signs erected, located or maintained upon land or premises owned by any city, county or political subdivision or unit of government of the State of Texas notwithstanding any provisions hereof to the contrary."

Senator Mauzy offered the following amendment to the bill:

Amend H. B. No. 5 by inserting new Sections 8 through 13 and renumbering the following sections, to read as follows:

Section 8. Subsections (1) and (2), Section 45a, Texas Election Code, as last amended by Section 1, Chapter 48, Acts of the 61st Legislature, 2nd Called Session, 1969 (Article 5.13a, Vernon's Texas Election Code), are amended to read as follows:

"(1) (a) A person may apply for registration in person or by mail as provided herein or may re-register by voting. When an applicant for registration applies in person, he shall furnish the registrar the necessary information to enable the registrar to fill out the blanks in the registration certificate, and the registrar shall immediately make out and deliver a registration certificate to the applicant, if he is entitled to register. An application made by mail may be made upon forms prescribed by the registrar and upon which forms the applicant shall supply the information necessary for registration as prescribed in Section 47a of this Code.

The application form shall contain the following statement: 'I understand the giving of false information to procure the registration of a voter is a felony.' The application shall be signed by the applicant or his agent.

"(b) When a properly executed application is received by the registrar, the registrar shall make out a registration certificate and shall mail the registration certificate to the voter for whom it is issued at his permanent address; or, if the applicant is temporarily residing outside the county and requests that the certificate be mailed to the temporary address, the registrar shall mail it to the temporary address. The application shall be deemed to have been received by the registrar within the period for registration if it was placed in the mail on or before the last day of the registration period, as shown by the postmark on the envelope, and was delivered to the registrar on or before the fifth day following the close of the registration period. Within the meaning of this section, the application is delivered when it is actually placed into the possession of the registrar or his duly authorized agent by a post office employee, or is deposited into the registrar's mailbox, or is left at the usual place of delivery for the registrar's official mail. The registrar shall file and preserve all applications received by mail for one year beyond any registration period.

"(c) A person may reregister for the succeeding registration period by voting at a primary, general, local, or special election. The authority holding an election shall, within ten days after the day of the election, deliver to the registrar of that county a list of all persons who voted at that election, including absentee voters. The registrar shall register for the succeeding voting period each person whose name appears on any of these lists, without the voter having to apply for registration in person or by mail. It is presumed that, except for changes in age, length of residence, or other changes caused by the passage of time, the information on the current voter registration certificate is accurate for the succeeding registration period. A voter registration certificate for the succeeding voting year shall be mailed by the registrar to each properly registered voter in time

to be delivered in the mail before the first day of that voting year, unless the person voted only during the last forty (40) days of the current voting year, in which case the new voter registration certificate shall be mailed not later than thirty (30) days after the beginning of the succeeding voting year.

"(2) The husband, wife, father, mother, son or daughter of a person entitled to register may act as agent for such person in applying for registration, without the necessity of written authorization therefor, may sign for the applicant when application is by mail, and may receive the registration certificate. Except as herein permitted, a person who willfully acts as agent for another in applying for registration or in obtaining a registration certificate is guilty of a misdemeanor and upon conviction is punishable by a fine of not less than Fifty Dollars (\$50) nor more than Five Hundred Dollars (\$500)."

Sec. 9. Section 46a, Texas Election Code, as added by Section 2, Chapter 1, Acts of the 59th Legislature, 1st Called Session, 1966 (Article 5.14a, Vernon's Texas Election Code), is amended to read as follows:

"46a. Registration certificate books; form of certificate

"Before the beginning of each registration period, the registrar shall procure a sufficient number of blank registration certificate books for the county. Each original certificate form shall be bound over a duplicate copy which, when filled out, shall correspond with the original. The certificate forms shall be numbered consecutively in each county, beginning with No. 1 each year. Each form shall be headed 'Voter Registration Certificate for the Year Beginning March 1, _____' (proper year to be filled in) and shall contain appropriate blanks for filling in the information required by Section 47a of this Code. Each certificate shall contain a printed statement reading, 'I certify that the information contained herein is true and correct,' followed by a space for the signature of the registrant or his agent. Each certificate issued shall show the date of issuance (the date on which the application for registration was received by the registrar if different from the date of actual issuance), and shall be signed and certified by the registrar and shall bear the seal of his office. The original certificate shall be de-

tached and delivered to the registrant or his agent as provided in Section 45a of this Code, and the duplicate shall be retained by the registrar. The registrar shall keep securely in a safe place the duplicates from which the original certificates have been detached, and they must remain there except when taken out for examination, which must always be done in his presence. Two years after the expiration of the registration period, they shall be burned by the registrar under the direction of the county judge."

Sec. 10. Section 47a, Texas Election Code, as amended (Article 5.15a, Vernon's Texas Election Code), is amended to read as follows:

"47a. Information required on certificate

"Except as otherwise expressly provided hereinafter, each registration certificate and its duplicate shall show the following information with respect to the person for whom it is issued: his name, date of birth, sex, occupation, political party affiliation, post-office address (or if living in an incorporated city or town, his street address), the voting precinct in which he resides, telephone number, whether he is a native-born or naturalized citizen, the state or country of his birth, the date on which he became a resident of the State, the date on which he became a resident of the county, and if residing in an incorporated city or town, the date on which he became a resident of such city or town, all of which dates shall be the date of commencement of the period of residence immediately preceding the application of registration. In counties in which the registrar uses high speed mechanization or electronic data processing equipment in keeping the registration records and preparing registration lists, upon order of the commissioners court of the county authorizing the registrar to do so, the registrar may use a registration certificate form which omits occupation as one of the items of information which the registrant is required to furnish and which are required to be shown on the registration certificate and the list of registered voters. If the applicant is over the minimum voting age, a statement of the year of birth shall be sufficient; if he is under the minimum age for voting, the certificate shall show the date of birth by month, day and year. If the applicant has resided in the State for more than one year, or in

the county or city for more than six months, a statement of the year in which such residence began shall be sufficient; if he has resided less than one year in the State or less than six months in the county or city, the certificate shall show by month, day and year the date on which the residence began. In lieu of the date of birth and the dates on which residence began, the certificate may show the age and the lengths of residence; but the certificate must show the date of birth by month, day and year if the registrant is under the minimum voting age at the time of registering, and must show by month, day and year the date on which a period of residence began if the period required for voting has not been fulfilled at the time of registering. The political party affiliation shall be listed by party name, or, if the voter is not a member of any party or declines to state any party affiliation, the word 'Independent' shall be used to indicate political party affiliation.

"Each applicant for registration shall furnish the foregoing information to the registrar. If the applicant is under the minimum voting age, or has not completed the residence requirements of a qualified elector, the registrar shall place on the certificate and on the list of registered voters the notation required by Section 42a of this Code, filling in the date on which such person will reach the minimum voting age, or the date on which he will have resided in the State one year, and in the county, six months, as the case may be.

"If the registrant or his agent applies in person, the registrant or his agent shall sign his name in the space provided for the signature. If the registrant or his agent is unable to sign his name, he shall affix his mark, and the registrar or deputy shall place the name of the registrant or agent in the blank space in the registrar's or deputy's own handwriting."

Sec. 11. Subsection (1), Section 51a, Texas Election Code, as amended (Article 5.19a, Vernon's Texas Election Code), is amended to read as follows:

"(1) Before the first day of March each year, the registrar of voters shall prepare from the duplicate registration certificates on file in his office a certified list of registered voters for each election precinct of the county, arranged alphabetically by the names of the voters and showing the

following information for each voter: registration number, name, address, date of birth or age, telephone number, sex, occupation, and political party affiliation. Each precinct list shall be prepared in two parts, each arranged alphabetically by the names of the voters and showing each voter's name, age, address, and registration number. On the first part of the original list shall be shown the names of voters who are qualified to vote in all elections as of March 1. On the second part shall be shown the names of voters who are not yet qualified to vote in all elections as of March 1. This list shall contain five columns, headed as follows:

NOT ELIGIBLE TO VOTE
BEFORE DATE SHOWN
FEDERAL ELECTIONS
STATE ELECTIONS
STATEWIDE DISTRICT
STATEWIDE COUNTY CITY

"If a change in the law with respect to voting eligibility makes any of these columns unnecessary, the secretary of state shall prescribe the number of columns and the headings to be used. For the various types of elections in which the voter is not yet eligible to vote, the registrar shall show the date on which he will become eligible. Instead of the two-part list, with the approval of the secretary of state the registrar may prepare the list in some other form so long as the form used gives the required information on each voter. The registrar shall deliver to each board, executive committee, or other authority having the duty of furnishing supplies for any general, special, or primary election to be held within the county prior to the first day of March of the following year, one set of such lists for all precincts in the county if any election which may be held by such authority is countywide, and one set of such lists for all precincts wholly or partially within the boundaries of the particular political subdivision if all elections which may be held by such authority are less than countywide. The registrar shall also furnish to each such authority, not less than four days prior to each election held by it, certified supplemental lists in the same form hereinabove prescribed of registered voters in each precinct whose names do not appear on the original list for such

precinct, together with lists of the names of all persons whose registration has been cancelled or transferred to another precinct since preparation of the original list. The authority shall furnish to the presiding judge in each precinct the original and supplemental lists of voters in his precinct at the time it furnishes other election supplies. Prior to the opening of the polls, the presiding judge shall strike from the original list the names of persons whose registration has been cancelled or transferred to another precinct."

Sec. 12. Section 52a, Texas Election Code, as added by Section 2, Chapter 1, Acts of the 59th Legislature, 1st Called Session, 1966 (Article 5.20a, Vernon's Texas Election Code), is amended to read as follows:

"52a. Deputy registrars

"(1) The registrar shall appoint the number of duly authorized and sworn deputies as are necessary, either at such fixed locations in places customarily open to the public as the registrar designates, or moving from place to place for the purpose of accepting applications and issuing registration certificates.

"(2) In each county containing a city of ten thousand or more inhabitants, other than the county seat, the registrar shall have at least one duly authorized and sworn deputy in each city during the last month of each regular registration period to represent him for the purpose of accepting applications and issuing registration certificates. Each deputy shall be stationed at a fixed place customarily open to the public.

"(3) During each regular period for registration of voters, the registrar of each county shall assign a deputy to go to each hospital, rest home, convalescent home, or other similar institution within the county to register the qualified voters there residing who, because of age, illness or infirmity could not reasonably otherwise apply for registration in person or by mail.

"(4) The registrar shall post a notice in the registrar's office identifying each deputy who is authorized to serve other than at the main office of the registrar or a regularly maintained branch office. The registrar shall furnish a copy of each notice to each deputy named therein, and he shall retain a copy in his office for

a period of two years from the last date of authorized service stated in the notice, which copy shall be open to public inspection at all times when the office is open.

"(5) No deputy shall be paid for his services except with the approval of the commissioners court."

Sec. 13. Subsections (1), (4), (5), and (6), Section 179a, Texas Election Code, as amended (Article 13.01a, Vernon's Texas Election Code), are amended to read as follows:

"(1) The members of an organized political party who shall be permitted to participate in its convention procedure as set forth in this Code shall be only those persons who have become qualified as members of the party by stating their party affiliation with that party when registering to vote, or changing their party affiliation to that party as provided in this Section. Having once become a qualified member of a party, a person remains a qualified member of that party for the duration of his registration, unless he changes his affiliation as permitted in this Section. He may change his affiliation in the same manner that he would have changed an error on his voter registration certificate. However, a voter may not change his affiliation during the period beginning with the thirtieth day preceding a general primary election and ending with the last day of the calendar year in which a general primary is held. When a voter changes his affiliation, the registrar shall make an equivalent change on the list of registered voters."

"(4) The party affiliation listing on the list of registered voters is the proper proof of party membership. No person shall be permitted to vote in a party primary, or participate in a party convention, unless he is shown on the list of registered voters to be affiliated with that political party.

"(5) Any person who votes or offers to vote at a primary election or participates or offers to participate in a convention of a political party of which he is not a member, as provided in this Section, is guilty of a misdemeanor and upon conviction is punishable by a fine of not less than One Hundred Dollars (\$100) nor more than One Thousand Dollars (\$1,000).

"(6) Any vote cast in violation of Subsection (5) of this Section is void

and shall not be counted for any purpose."

Amend S. B. No. — by inserting in Section 8, before the words and numbers "Section 186a," the words, numbers and punctuation "Subsections (7) and (8) of Section 179a (Article 13.01a, Vernon's Texas Election Code),".
